

the Vortex™

Lightweight, Compact And Comfortable

Using incredibly strong oval tube aluminum construction, Earthlite has created a stylish, compact and lightweight massage chair. Your Vortex portable massage chair will be a place of healing and energy – the perfect portable venue for massage therapists, sports therapists and more.

Stylish, yet Incredibly Strong Oval Tube Design

- Patent pending soft, curvy design.
- Oval tubing to increase strength.

Lightweight Aircraft Aluminum

- Aircraft quality, strong and lightweight.
- Chair weighs only 15lbs.

Incredibly Comfortable

- Multiple face, arm and seat adjustments for optimal client positioning.
- Pro-Lite™ Cushioning - high quality, two-layer support system.
- Durable yet butter soft Natursoft™ upholstery.

Portable and Compact

Portable and Easy to Use

- Quick setup with simple facecradle armrest and seat adjustments to accommodate all client sizes.
- Folds compactly.
- Totes and stores easily.
